

AMP AIR CONDITIONING LTD

and

Your Fujitsu General Comfort Club Points

Dear Comfort Club Member

We are writing to you inform you that as from 31st Dec 2017 AMP AIR CONDITIONING LTD will no longer be a distributor for Fujitsu General Air Conditioning products or spares, and to let you know how this decision will affect your Comfort Club points held through AMP. So that you can see how many points you have with Fujitsu and AMP we have attached a copy of your August 2017 statement.

We would like to assure you that

Your Comfort Club Points are Safe

and that you have a number of options as to what to do with them before the 31st Dec 2017.

You can cash them in - if this is your option, along with a statement up to the end of August, we have enclosed a claim form that you will need to be sent directly to our Comfort Club administrator at the address shown below

You can transfer them to another Distributor — using the enclosed Transfer Form please indicate which distributor you would like to transfer your AMP points Balance to and send either to the Comfort Club administrator at the address shown below or direct to your Distributor of choice from the list also enclosed.

You can keep your points with AMP after 31st Dec 2017- if this is your choice you do not need to do anything, but please remember your points are valid for 12 months only, so any points earned in Jan 17 that are not taken by the end of Jan 2018 will be lost.
