## 01-01. How to Download the Design simulator

1 )Enter the following two items:

- User name: F1010Pocket
- Password: Please contact Fujitsu General's overseas sales office in your area.

The screenshot shows the Fujitsu General login interface. A red header bar at the top contains the text "FUJITSU GENERAL". The main content area is white and contains a light gray login box. Inside this box, there are two input fields: "User name" with the text "F1010Pocket" and "Password" with masked characters ".....". Below these fields is a red "LOGIN" button. A blue box with the text "2) Click Login" is positioned below the login box. A blue line connects the instruction "1 )Enter the following two items:" to the input fields. A red footer bar at the bottom contains the text "Copyright © FUJITSU GENERAL. All rights reserved."

FUJITSU GENERAL

## 01-01. How to Download the Design simulator

2) Download begins.

3) Click “Show in Folder.”

The screenshot shows the Fujitsu General website interface. At the top, there's a red header with 'FUJITSU GENERAL'. Below it, there's a search bar and several filter dropdowns: 'Model Name', 'Product Category', 'Product Brand', 'Sales Area', 'Document Type', 'Image Type', 'Video Type', and 'Design simulator'. The search results show 'Hits: 2'. The first result is '000\_Fujitsu\_DS\_Ver.4.1.4.00\_250729.zip' with a download icon. The second result is '000\_General\_DS\_Ver.4.1.4.00\_250729.zip'. A callout box shows the download progress and a 'Show in folder' button.

1) Basically, downloading the “FUJITSU version” is OK.  
\*Can be changed to General in the Design simulator settings.
