2. Log in to Pocket Portal

1) Enter the following two items:

- User name: F1010Pocket
- Password: Please contact Fujitsu General's overseas sales office in your area.

The screenshot shows the Fujitsu General login interface. At the top is a red header bar with the text "FUJITSU GENERAL". Below this is a light gray login box. Inside the box, there are two input fields: "User name" with the value "F1010Pocket" and "Password" with masked characters ".....". Below the password field is a red "LOGIN" button. A teal box highlights the login fields and button. A teal line connects the instruction text above to the "User name" field. Below the login box, a teal box contains the text "2) Click Login". At the bottom right of the page, there is a small red bar with the text "Copyright © FUJITSU GENERAL. All rights reserved."

2) Click Login
